July 5, 2016

Dear Friend of People Inc.,

On August 22, 2016, People Inc. will host its 15th Annual Drive Fore Disabilities Auction, at the Orchard Park Country Club. The proceeds from this event will go towards helping those with disabling conditions lead successful and happy lives in an accepting society. People Inc. is the leading non-profit human service agency in Western New York, providing services to more than 12,000 individuals with special needs, senior citizens and their families.

This is People-Inc.'s largest fundraising event for the year and the silent auction has proven to be a fantastic draw. **A tax-deductible donation of a gift certificate or unique item would be greatly appreciated.** Please note, the People Inc. Foundation Federal ID # is 16-1450321.

Thank you for playing a key role in the success of our event and to People Inc. on a whole. Please contact Jennifer Blake at 716-817-7269 or jblake@people-inc.org to make a donation. Thanks in advance for your support!

Gratefully,

Ryan Fisher
Golf Auction Chair
