Helping kids with disabilities stay on the right track!

PeopleInc

SERVICES FOR CHILDREN & YOUNG ADULTS

FOR SOME, THE LITTLEST THINGS HAVE A BIG IMPACT.

People Inc. believes that early intervention is a key to independence and empowerment. That's why beginning at birth and continuing through age 21, People Inc. provides services to children with developmental disabilities with a goal to enhance their growth and development, as well as provide support and assistance to families. Services include:

DAY HABILITATION

Day Habilitations provide individuals the opportunity to explore new areas of interest; become involved within their communities; develop communication and interpersonal skills and set/pursue personal goals.

EARLY INTERVENTION

Services and therapies to help children ages birth-three with a diagnosed developmental delay get off to a great start.

EDUCATIONAL SERVICES

Provides assistance for families working with the Special Education system. Also provides free after school tutoring in Reading (SES) to eligible schools in the Buffalo City School District and Sweet Home Central School District.

ELMWOOD HEALTH CENTER

Medical services, counseling and rehabilitative therapies for all ages.

HOME HEALTH CARE

Licensed and Certified care for children and young adults, with or without developmental disabilities, and their families.

THE INCREDIBLE YEARS

The Incredible Years program is designed to teach parents how to foster positive behaviors in their children and to develop effective techniques for dealing with behavior problems. The program is research based and has shown to be effective for families of children with or without developmental disabilities. Childcare is available and the program is free of charge.

INDIVIDUAL RESIDENTIAL ALTERNATIVE

Provides a home with the necessary supports and residential habilitation services 24 hours a day, seven days a week allowing children to grow in a nurturing environment. Enhanced residential programs specializing with children who present with challenging behaviors or are in need of intensive medical services are also available.

INTENSIVE BEHAVIORAL TRAINING AND COUNSELING

Hands-on, in-home support for families of children with intense behavioral issues.

PERSONAL ENRICHMENT PROGRAM

Helps young adults develop confidence and become active in their community. Activities are geared toward 18-30 year olds.

RESIDENTIAL HABILITATION

In-home activities to increase independence, social skills and daily living skills.

RESPITE SERVICES

People Inc. respite programs give families and caregivers a break from the responsibilities of caring for a child with a developmental disability. Respite services are offered at a variety of times and locations to meet family needs.

SERVICE COORDINATION

Assists families in helping kids and young adults get the services they want and need, from transportation and activities to living arrangements.

VOCATIONAL PROGRAMS

Designed to help young adults increase independence and work skills. Services such as vocational assessments, internships, supportive employment and more are available.

WRAP AROUND SERVICES

In-home tutoring, mentoring, counseling and behavioral services are provided to children enrolled in Erie County Mental Health's Wrap-around program. The goal is to allow children to remain with their families in the community through a combination of education, training and therapy.

YOUNG ADULT LIFE TRANSITION PROGRAM (YALT)

Young adults, ages 18-23, can experience life on a college campus while developing skills for future success. Participating colleges include Buffalo State College, Canisius, Daemen, Erie Community College South (ECC South) and Niagara County Community College (NCCC).
