The Incredible Years Program

The Incredible Years Program offers free training designed to teach parents who have children with special needs. Learn to:

- ☆ Foster a positive relationship with your child
- ☆ Improve your child's compliance and cooperation
- ☆ Decrease negative behaviors at home
- ☆ Develop your child's social skills

The Incredible Years Program offers research-based, proven and effective programs for reducing children's aggression and behavior problems, and increasing social competence at home and at school. This program can teach you how to cope

with the stresses of parenthood, avoid power struggles, determine appropriate consequences and develop creative and imaginative play with your child.

“The improvements in our child's behavior is just remarkable.”
