

Empowerment Through Helping Others Succeed

Are you interested in serving as an AmeriCorps member at The Care Management Coalition to help streamline the partner agencies' services at a single location? You could help clients gain better access, create a platform for system change through collaboration and innovation, while increasing agency efficiency and cost effectiveness. Do you want to participate in meaningful national service while earning a living allowance, an educational award and on-the-job training? If you said YES, Join the Care Management Coalition, in collaboration with the People Inc. E.T.H.O.S. AmeriCorps as a

Ways you will contribute to the community:

- Assessing the impact of COVID-19 on the people supported by the organization and the steps toward recovery.
- Help reduce barriers to services by increasing awareness to local available resources
- Educate and foster collaboration between agencies by developing cross program implementation of summaries, tools and other supports

You will gain:

- Experience in program coordination and management in the public or nonprofit sector
- Skills to develop tools to support outreach and community building efforts
- Strong team and leadership skills
- The ability to educate and foster collaboration between agencies

Applicants must be at least 18 years of age. Those who have served in the U.S. Military (including the Guard and Reserve), their families and those with a disability are encouraged to apply.
