AUTISM: THE MUSICAL

- Winner of 2 Primetime Emmys!

Autism: The Musical counters today's bleak statistics with one woman's optimistic pledge to lead a group of children with autism in defying diagnosed expectations by writing, rehearsing, and performing their own full-length musical.

Following five Los Angeles children over the course of six months, director Tricia Regan captures the triumphs and struggles of their family lives and observes how this musical production gives these performers a comfort zone in which they can explore their creative side.

Running time: 93 minutes **Rating:** Unrated
