Self-Direction

Thursday, January 21, 2021

Noon – 1 p.m.

**Matt Graves,
Fiscal Intermediary Representative
at People Inc.**

What is Self-Direction? It is an OPWDD service that allows people to choose services and supports that are tailored to their wants and needs. With Self-Direction, people can create a schedule that will work for them, making each plan unique. It empowers people to design supports based on their individual strengths and needs. Self-Direction gives people more control over their funding, allowing them to choose the services that are the best fit for them. As the Care Coordinator, you are the key to all services.

Join us for an overview of Self-Direction and learn how you, the Care Coordinator, can assist the person to choose their services and be as independent as possible.

We look forward to talking to you about this service!
