### Pathway to Employment – Community-based

*PTE • All Regions*

**Program Highlights:** This program provides assistance for people to obtain, maintain or advance in competitive employment or self-employment. This individualized service offers the opportunity to identify a career or vocational direction. Instruction and training in job readiness skills and developing a plan for achieving competitive, integrated employment at or above the New York State minimum wage is also provided. Within 12 months, the outcome of this service is documentation of the participant's stated career objective, a detailed career plan used to guide employment supports and preparation for supported employment services.

### Young Adult Life Transitions Program (YALT)

**Program Highlights:** This model targets people aged 18-26 for Community Based Prevocational or Day Habilitation Without Walls services. Services are delivered through hubs located on various Western New York college campuses, as well as locations and businesses within the community. Activities are designed through person-centered planning and will ready enrollees for integrated, competitive employment.

**Admissions:** 716.880.3700 **Information:** 716.817.7400

**Transportation:** Medicaid transportation is provided to all participants who request or require this service. There may be some limitations regarding distance. Mobility training is a skill that is encouraged in the program, so utilizing public transportation may be appropriate in some instances.

**Program locations:**

**Canisius College YALT – 2001 Main Street, Buffalo, NY 14208**

**University at Buffalo (South Campus) – 3435 Main St., Parker Hall**

**Room 112, Buffalo, NY 14214**

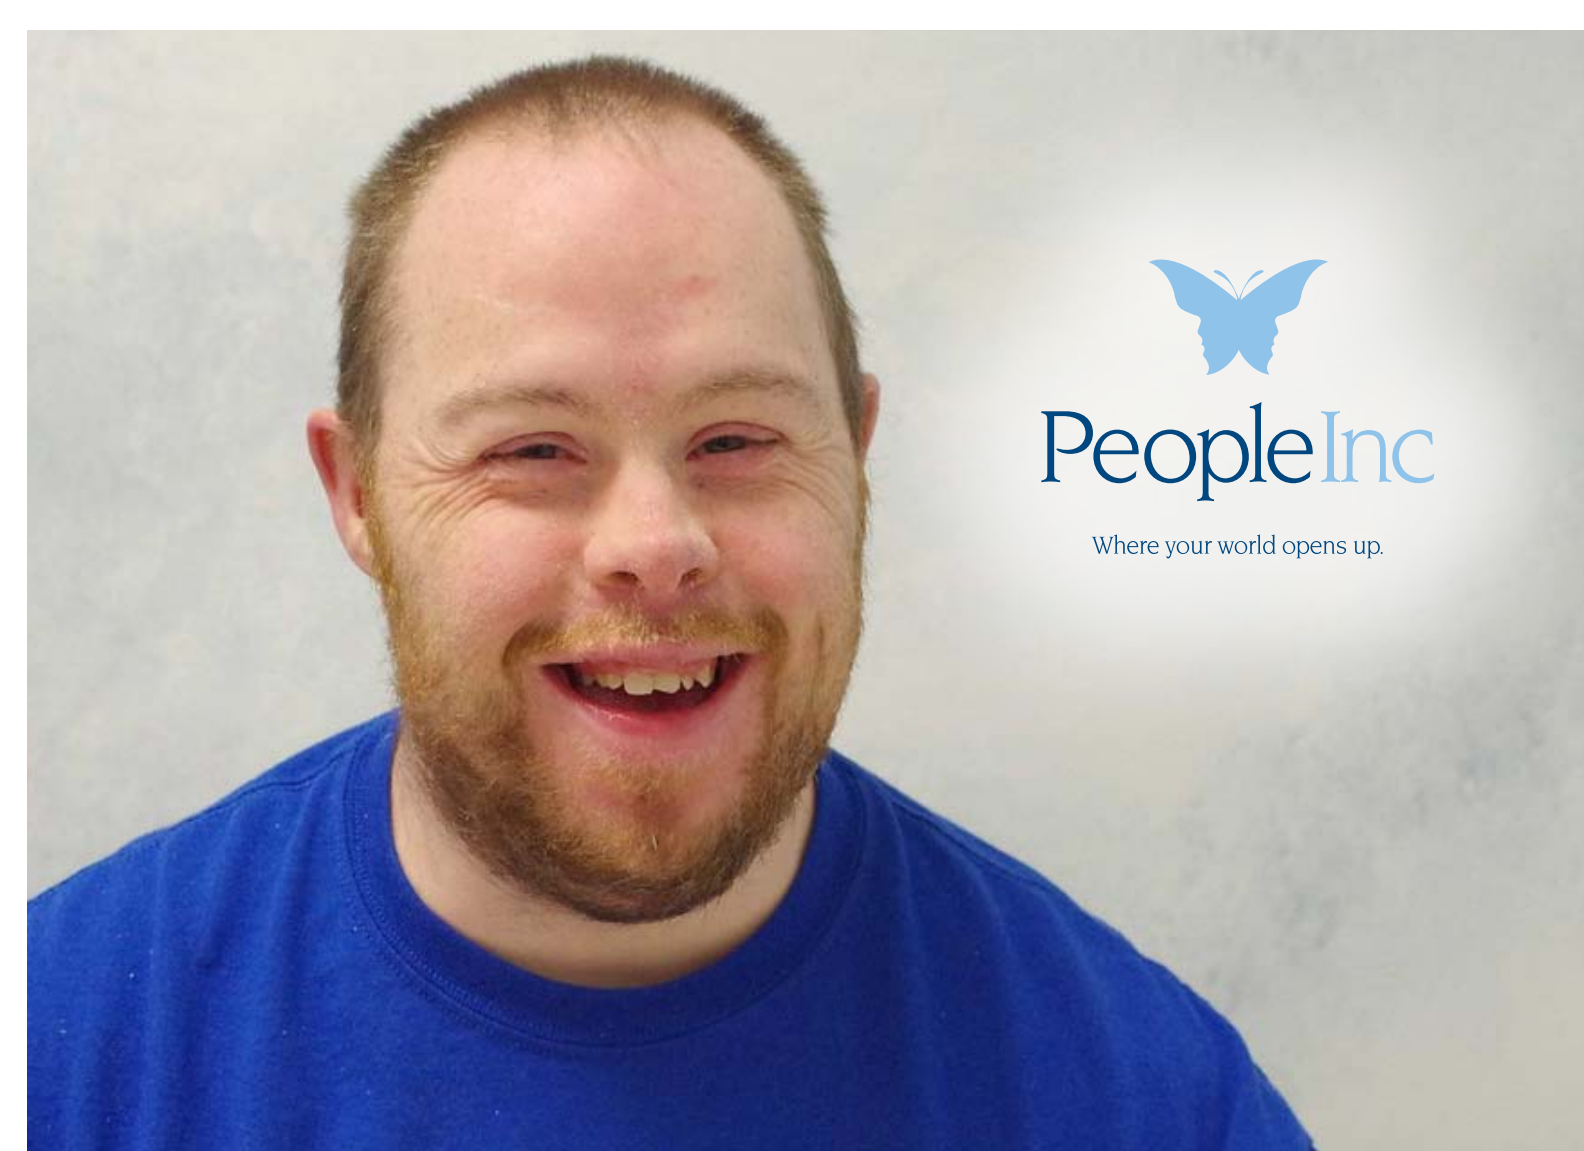

*CPV and DHWW • Central/City*

### Supported Employment ACCES-VR Intensive, Extended and OPWDD Waiver – Community-based

*ACCES-VR and OPWDD ETP • All Regions*

**Program Highlights:** The Supported Employment Program continues to utilize an individual placement model, which provides assessment of employment interest and choice, job development, job training, stabilization and long-term follow along. All placements are community-based in an integrated setting. Participants are employees of their place of employment and are paid the prevailing wage for their work.

Geographic preferences and availability are reviewed at time of admission.
