

Buffalo Road Afternoon Respite in Gates, NY

Now accepting participants for summer programming
Full days when school is closed and evenings when school is open

A People Inc. program for OPWDD eligible people provides many benefits, including:

For Parents/Guardians

A safe/fun environment for your children while you are at work, attending appointments, running errands, or just relaxing.

For Students Ages 11-21

Engaging activities planned daily, including, but not limited to: Card/Board games, Nintendo Wii, movies, bean bag toss, ladder ball and basketball.

The program has access to an indoor room with a large television and couch for watching movies, a grassy outdoor area for games and a paved outdoor area.

Outings (including but not limited to): Movies, ice cream, The Garden Factory, mini golf and shopping trips. We also have a membership with not-for-profit farm Homesteads for Hope, where we can plant/maintain a vegetable garden, go fishing in the Erie Canal and participate in educational farm-related activities.

Martin the Standard Poodle is the program's resident canine and is a certified therapy dog trained to help the participants relax when they are having a tough day. Martin loves affection and will sometimes get involved in the activities – anyone up for a game of catch?

School days: Monday to Friday from 2 to 6 p.m.
Summer programming: Monday to Friday from 9 a.m. to 4 p.m.

1860 Buffalo Road, Gates
Information: 585.719.3415
