

Calling All Families

*Summer Program in Gates
Registration Open*

**Monday to Friday
9 a.m. to 4 p.m.**

**For OPWDD eligible
people ages 11-21**

This People Inc. Respite Program provides a safe and fun environment while Parents/Guardians are at work, attending appointments, running errands or taking some time to relax. The agency will not provide transportation to or from the 1860 Buffalo Road location in Gates.

Your family members will participate in engaging daily activities, including but not limited to: Card/Board games, Nintendo Wii, movies, bean bag toss, ladder ball, outdoor games in a grassy area and basketball.

Making the most of the summer, we will be going to such places as: Movies, ice cream, The Garden Factory, mini golf and shopping trips. We also have a membership with not-for-profit farm Homesteads for Hope, where we can plant/maintain a vegetable garden, go fishing in the Erie Canal and participate in educational farm-related activities.

Martin the Standard Poodle is the program's resident canine and is a certified therapy dog trained to help the participants relax when they are having a tough day. Martin loves affection and will sometimes get involved in the activities – anyone up for a game of catch?

Where your world opens up.

Advance registration is required. Your Service Coordinator can contact People Inc. Admissions at admissions@people-inc.org or 585.441.9300. For information on the program, call 585.719.3413.
