FOR SOME, SMALL THINGS HAVE A BIG IMPACT

Child and Young Adult Services at People Inc. include a wide variety of programs that match the needs of a child or young adult and their family. We will work with your care manager to select programs ranging from early intervention and medical services to job-readiness education for people from birth to age 26. Services include:

CHILDREN'S RESIDENTIAL SERVICES: IRA

An Individual Residential Alternative (IRA) provides 24-hour support and is designed to accommodate a person's unique residential needs. Staff is specially trained to encourage each person to reach their highest level of independence and decision-making.

CHILDREN'S HEALTH HOME CARE MANAGEMENT

Care management model for young people, from birth to age 21, with chronic health conditions.

COMMUNITY HABILITATION

The program assists children and young adults to work 1:1 with staff in their homes and community to assist them to increase independence, social skills and daily living skills.

COUNSELING AND REHABILITATIVE HEALTH SERVICES

Counseling and rehabilitative health therapies are available for people all ages, with or without developmental disabilities, through a comprehensive team approach.

DAY HABILITATION

Day Habilitations provides young adults, age 18 and up, the opportunity to explore new areas of interest, become involved within their communities, develop communication and interpersonal skills and set/pursue personal goals. Typically, Day Habilitation programs are an option after school services have ended.

EARLY INTERVENTION

Provides Ongoing Service Coordination for children up to the age of three with diagnosed or suspected developmental delays.

FAMILY ADVOCACY TRAINING AND SUPPORT

This program is designed to help individuals and families increase independence in a variety of skill areas. While informational sessions are offered to families who may need assistance with understanding and better supporting their loved one with developmental disabilities.

PEOPLE HOME HEALTH

Assisting children and young adults, with or without developmental disabilities, and their families, with short-term health needs.

INCREDIBLE YEARS PROGRAM

Designed to guide parents how to foster positive behaviors in their children, and to develop effective techniques for dealing with behavior issues.

INTENSIVE BEHAVIOR TRAINING AND COUNSELING

Hands-on, in-home support for families of children with intense behavioral issues.

PERSONAL ENRICHMENT PROGRAM

Helps young adults develop confidence and become active in their community. Activities are geared toward 18-30 year olds.

RESPIRE SERVICES

Respite Services provide temporary care both in and out of the home for families caring for a person who has a developmental disability or a chronic medical condition. A variety of Respite Services are provided to meet personal needs, including after school, day program or work, in-home, emergency placement, recreational, weekend and extended care.

VOCATIONAL PROGRAMS

Designed to help young adults increase independence and work skills. Services such as vocational assessments, internships, supported employment and more are available.

WRAP AROUND SERVICES

Comprehensive behavior services that are multi-sensory, research-based and provided in the home through a combination of education, training and therapy, with the goal of allowing children to remain with their families. Geared towards 5-18 year olds.

YOUNG ADULT LIFE TRANSITIONS PROGRAM (YALT)

The People Inc. Young Adult Life Transitions (YALT) is a Community Based Pre-Vocational program that offers young adults with developmental disabilities an opportunity to experience life on a college campus and prepare for employment.
