BUSINESS SOLUTIONS

People Inc. works with businesses in Western New York and the Greater Rochester region to employ people and create jobs around their talents and interests. Over the years, we've established several business solutions that offer high quality work, ranging from janitorial and carpet cleaning to workforce solutions and contract manufacturing.

JANITORIAL

Whether you need a crew to clean your workplace once a week or every day, we provide on-site supervision to ensure that the job is done to your satisfaction every time. People Inc. provides interior cleaning services for commercial, business and government offices throughout Erie and Niagara counties. We offer complete janitorial service, floor care and maintenance, free estimates and are fully insured. For more information, call 716.817.5750.

CARPET CLEANING

People Inc. provides carpet cleaning services for commercial, business, government and residential locations. Our "truck mounted" carpet cleaning system is fully insured and we provide free estimates. On-site supervision is also provided to ensure the job is done to the customer's satisfaction. For more information, call 716.817.5750.

WORKFORCE SOLUTIONS

Do you require a supplemental workforce to meet your fluctuating production demands? As your alternative to a temp agency, we provide a supervised, fully-insured workforce that will be trained to your standards. Our employees will complete your work at your location, with transportation included. The size of the work group can be flexible and we can be available on a short- or long-term basis. Do you have open positions and struggle to fill them with qualified candidates? We can provide qualified, dedicated and prescreened candidates for your recruitment process. Our Supported Employment Program matches our employees' skill sets with job openings on your payroll to ensure a suitable fit, based on your business's needs. For more information or questions, call 716.683.7100.

CONTRACT MANUFACTURING

Are you looking to complete assembly/disassembly, packaging, inspection or mailings in a timely and cost-effective manner? Or maybe you would like to find an alternative to temp agencies? Look no further than People Inc.! When you choose us, you are supporting meaningful employment for hardworking people with developmental disabilities. On-site supervision is provided to ensure all jobs are done to your business's expectations and satisfaction.
