

We Need Your Help!

Show up to win prizes and help People Inc. get needed hardware and software

Show your support for People Inc. as the agency has been awarded a generous Microsoft software grant! You are invited to attend the grand opening celebration of the first Microsoft retail store in Buffalo!

We need all People Inc.-ers and our friends to come out in their People Inc. gear to the **fun-filled, high-energy** ribbon cutting ceremony at the new Microsoft retail store at the **Walden Galleria on Saturday, November 16**. This is an exciting opportunity for you to be among the first in the store when it opens to the public.

The more People Inc. attendees – the more donated hardware People Inc. will receive!

And if that wasn't enough – if you attend the grand opening, you will be entered to win tickets to an exclusive Kelly Clarkson concert at the Burt Flickinger Center (Erie Community College, Buffalo Campus) at 7:00 p.m. that evening. **Dozens of tickets are available!**
