

PAINTING A BETTER WORLD

Embrace The Difference®

Robyn Zimmer, Founder of Embrace the Difference, has teamed up with inspirational artist Colleen Wall Darby to create an Embrace the Difference® painting. This stunning work of art is now available as part of the Embrace the Difference® collection for a limited time. The proceeds are donated to the purchaser's charity of choice.

*“This painting is my interpretation of the organizations symbol. Seven yellow canaries are used to represent the circles and one red canary to represent the square. The birds all sit perched on branches forming a circle and the background is filled with words of understanding, kindness and inclusion. The bird just to the left of the red canary looks out of the painting to draw the attention back to you, the viewer, as if to ask ‘What will you do? Be exclusive and judgmental? Or be loving and accepting.’”-
